Section 1, Minimum Standards Adopted.

The minimum employment standards for law enforcement officers as established and adopted by the Michigan Law Enforcement Officers Training Council in accordance with Act No. 203, Public Acts of 1965 are hereby adopted as follows:

Be a citizen of the United States.

Minimum age of twenty-one year.

Graduation from high school or equivalent. Equivalent defined as having attained a passing score on the General Education Development test indicating high school graduation level.

Fingerprinting of applicants with a search of local, state and national fingerprint files to disclose any criminal record.

The applicant shall not have been convicted of a felony offense.

Good moral character as determined by a favorable report following a comprehensive background investigation covering school and employment records, home environment, personal traits and integrity. Consideration will be given to any and all law violations, including traffic and conservation law convictions as indicating a lack of good character.

Acceptable physical, emotional and mental fitness as established by a licensed physician following examination to determine the applicant is free from any physical, emotional or mental condition which might adversely affect his performance of duty as a police officer.

A declaration of the applicant's medical history shall become a part of the background investigation. The information shall be available to the examining physician.

An oral interview shall be held by the hiring authority or his representative, to determine the applicant's acceptability for a police officer position and to assess appearance, background and ability to communicate.

Recruitment and employment practices and standards shall be in compliance with existing Michigan statutes governing this activity.

Section 2. Notice to be Published.

The City Clerk shall publish this resolution in the manner required by law.

Section 3. Conflicting Resolutions Repealed.

The standards of the Michigan Law Enforcement Officers Training Council are recognized as minimum standards and higher standards are recommended by the Training Council when qualified applicants are available. Any portion of any resolution not meeting the minimum standards is hereby repealed. Any portion of any resolution which meets the minimum standards or exceeds those standards shall remain in effect.
