News Release of July 15, 2021

City of Alpena Releases Survey for Marina Master Plan

As part of the ongoing commitment to revitalize the City of Alpena's Marina, the City of Alpena, with assistance from the Northeast Michigan Council of Governments (NEMCOG), is working on creating a Master Plan for the marina.

The planning process incorporates a community participation element that encourages input from citizens. The City has chosen to gather this public input in an online survey. The survey takes approximately 5-10 minutes to complete and is available on the City website at www.alpena.mi.us or on the NEMCOG website at www.discovernortheastmichigan.org.

An in-person meeting is scheduled for Monday, August 9, 2021, at 6:30 at the Alpena Yacht Club to allow citizen input into the direction and future plans for the marina.

The survey can also be found at the following web link: <https://www.surveymonkey.com/r/3NKC7S2>
