RATE DESCRIPTIONS

WATER - Cost of water that the City of Roseville purchases from Great Lakes Water Authority.

SEWER TREATMENT - This is the cost of the sewage treatment, based on your water usage, that the City of Roseville is charged by The Southeast Sanitary District.

LOM - This charge covers the remaining costs to operate and maintain our water and sewer system, not covered in the Ready To Serve Charge, and is based on your water usage.

READY TO SERVE CHARGE - A flat rate charge, based on meter size, that covers a portion of the fixed costs incurred by the city to operate, maintain and repair the water and sewer infrastructure in the City of Roseville

STORM WATER SYSTEM UTILITY FEE (SWSUF) - This charge covers the cost, passed on to us by Macomb County, to treat the water that flows through our stormwater system and the costs to maintain the drain system based on county & state guidelines. The cost is based on the impervious area of your property which is the area that allows storm water run off ie...roof, driveway, sidewalk etc. The size was determined by Macomb County GIS (Geographic information system).
