“NO LEFT TURN” ON WESTBOUND PHOENIX BETWEEN BROADWAY AND WATER STREETS BEGINNING MONDAY, JUNE 25TH

FOR IMMEDIATE RELEASE – (South Haven, Michigan) On Monday, June 25th, the City of South Haven staff will be installing “No Left Turn” signs on westbound Phoenix Street from Broadway St. to Water St. The signs will be placed on a 90-day time period.

Phoenix St. is the main street running through South Haven’s downtown. During busy summer months, a long line of traffic heading west to Lake Michigan causes congestion on Phoenix and backups on Broadway St. as motorists attempt to make left turns. The signs will be up for 90 days - the maximum length of time a Traffic Control Order is in effect.

The City Council reviewed last year’s “No Left Turn” rule after the 90-day trial period had ended. Council and staff determined it to be beneficial in addressing the flow of traffic during the peak summer months.

For more information: Bill Hunter, Director of the Department of Public Works; bhunter@south-haven.com; 269-637-0737.
