“NO LEFT TURN” ON WESTBOUND PHOENIX BETWEEN BROADWAY AND WATER STREETS AS A 90-DAY TRIAL BEGINNING WEDNESDAY, JULY 5TH

FOR IMMEDIATE RELEASE – (South Haven, Michigan) On Wednesday, July 5th, the City of South Haven will be installing “No Left Turn” signs on westbound Phoenix Street from Broadway to Water St. The signs will be placed on a 90-day trial period.

Phoenix St. is the main street running through South Haven’s downtown. During busy summer months, a long line of traffic heading west to Lake Michigan causes congestion on Phoenix and backups on Broadway St. as motorists attempt to make left turns. The signs will be up for 90 days - the maximum length of time a Traffic Control Order is in effect.

The City Council will be asked to review the “no left turn” rule once the 90-day period has ended. Council and staff will determine if this is beneficial in addressing the flow of traffic.
