- 2) PACE Applications
 - a. Crusoe Energy Services

This one is exciting because to qualify for the straight PACE program a business must receive its primary sector designation from the North Dakota Department of Commerce. Crusoe Energy uses natural gas that would otherwise be burned in the air as a flare to power its modular mobile computing stations. They are purchasing the old Packers Plus building in Williston. This is a good project for us as one of the leading energy producers in the United States this gets us in to the carbon capture process. The buydown request is for \$162,000.

Motion by Cymbaluk, Seconded by Piesik to approve the PACE Buydown for Crusoe Energy Services not to exceed \$162,000 as presented by Shawn.**AYE: Brostuen, Piesik, Cymbaluk, Klug****NAY: None****ABSENT AND NOT VOTING: Bekkedahl****CARRIES: 4-0**
