**SECTION II: RULES, REGULATIONS, & TERMS OF USE**

I agree to follow the rules and regulations set by the Williston Basin International Airport as follows:

1. The XWA PASS Program is intended for personal use and enjoyment of Williston Basin International Airport by participants, allowing non-traveling visitors to greet friends and family arriving on domestic flights, to accompany traveling family members and friends to their gates, to shop and dine at the restaurant and store post-security, to watch arriving and departing aircraft, or to participate in XWA-sponsored events.
2. Commercial or business/professional use or activities post-security using an XWA PASS is prohibited and will result in removal of the participant and/or revocation of the privilege to participate in the program. **XWA PASS Cards may not be loaned to other persons for any reason.**
3. XWA PASS Cards are only valid for access through the TSA Security Screening Checkpoint one time and expire 24 hours after the vetting result has cleared. Once the visitor leaves the post-security area, re-entry through the TSA Security Screening Checkpoint will not be authorized. Visitors will not be permitted to stay in the sterile area overnight.
4. In order to be considered for XWA PASS entry at Williston Basin International Airport, all applicants and any minors (meaning an individual under 18 years of age) will be required to provide certain personal information that will be used by the Transportation Security Administration for vetting. If there is a discrepancy or possible match in the database, the visit will be denied. All applicants should carefully read the TSA Privacy Notice in Section III and consider the implications of providing their personal information.
5. XWA PASS visitors are subject to the same security regulations as passengers boarding aircraft per TSA regulations. Please review the list of prohibited items prior to your arrival at the airport. <https://www.tsa.gov/travel/security-screening/whatcanibring/all>
6. Minors under the age of 18 must be accompanied, at all times, by an approved adult XWA PASS Program participant.
7. XWA PASS Program participants shall be subject to these terms of the XWA PASS Program, all Williston Basin International Airport Rules and Regulations, as well as local, state and federal laws and regulations. Any person or persons who shall refuse to comply with these applicable terms, rules, regulations and laws may be regarded as a trespasser.
8. Participants must show their XWA PASS Card in the Sterile Area when requested by a law enforcement officer or any XWA-badged individual to include airport, airline, restaurant, and TSA employees. Individuals that fail to show their XWA PASS Card when requested, will be escorted out of the sterile area immediately.
9. The Williston Basin International Airport reserves the right, at its sole discretion, to revoke the XWA PASS Card of any individual who may pose a security risk, a nuisance or distraction to any Airport personnel, passengers or other visitors and/or who violates any of the applicable terms, rules, regulations and laws as described above, or as the City of Williston deems necessary for the safe and efficient operation of the Airport.
